

Alcohol Awareness Training required in Nevada Counties with a population of 400,000 or more

Effective July 1, 2007, NRS 369.630 requires owners or operators of liquor establishments whom hire or employ persons to sell or serve alcohol, alcoholic beverages, or act as a security guard at such establishments, to ensure such person completes a State certified Alcohol Beverage Awareness program and holds a valid alcohol education card.

These provisions apply to establishments in all counties whose population is 400,000 or more (Clark and Washoe Counties). An establishment is defined as a business that sells alcoholic beverages by the drink for consumption on the premises and businesses that sell alcoholic beverages in corked or sealed containers or receptacles for consumption off the premises. These provisions do not apply to a Nevada Licensed Wholesale Dealer, or a private club, or other facility which is not open to the public.

An establishment who violates provisions pertaining to Alcohol Awareness Training is subject to an administrative fine ranging from \$500.00 to \$5000.00.
